Dear families and friends of St. Ignatius of Loyola Parish,

With this letter, I am pleased to announce that our formerly interim principal Angie Heisel has been our named our new regular principal for St. Ignatius School. Throughout her professional career and personal life, Mrs. Heisel has demonstrated a depth of Catholic faith so needed in our parish and wider community. Moreover, in her term as interim Principal of St. Ignatius School, she has demonstrated a level of personal dedication and professional competence that is required in such a position. I am pleased to name her as our regular principal, and am so grateful for her ministry in Catholic education.

In addition, I am glad to announce that our formerly interim vice principal, Matt Meyer, has been named our new, regular vice principal for St. Ignatius School. Mr. Meyer has transitioned effectively from his teaching ministry at St. Ignatius to his new role as vice principal. Over this past school year, he has collaborated well with both our school principal as well as the staff at St. Ignatius School. He too has demonstrated a special concern for the teachings of our faith, as well as a clear passion for the well-being of our students.

Please join me in congratulating both Angie Heisel and Matt Meyer as our new principal and vice principal of St. Ignatius of Loyola Church. GO WILDCATS!!
