

Financial Report Fiscal Year Ended June 30, 2025

As a Roman Catholic Christian community, St. Ignatius of Loyola Parish exists in union with the Universal Church to proclaim and live the Gospel teachings of Jesus. Through prayer, worship, and generously giving of our time, talents, and resources, we strive to foster the Kingdom of God in our parish, the Cincinnati area, and the world.

INSIDE THIS REPORT

LETTER FROM PASTOR AND FINANCE STAFF

FINANCIAL REPORT

SUPPLEMENTAL NOTES

Brothers and Sisters in Christ,

This report is a recap of the financial performance of St. Ignatius Parish for the fiscal year ending June 30, 2025. These numbers are simplified to give an overview of the financial health of our church and school. Here are some positive examples of what's been happening here this year.

The Finance Committee is comprised of six parishioners with accounting and finance experience, in addition to the Pastor, the Director of Finance and Administration, and the Senior Business Manager. We meet quarterly to review the actual financial standing compared to the budgets for the entire parish. We recently implemented "check and ACH positive pay" through Fifth Third Bank, to safeguard our assets and prevent fraudulent activity.

Sunday donations to date in fiscal 2026 are slightly declining, while costs continue to rise. Please consider increasing your weekly contributions and including our parish in your will. If each family gave an additional \$5 each week, it would amount to an annual increase of over \$500,000!

With the increase in government Ed Choice support, our parish no longer needs to subsidize our school. We continue to help the students with tuition assistance and share in some of the school's maintenance costs. We have addressed many large deferred maintenance issues over the last two years, and we continue to work diligently to maintain our aging campus!

We are extremely grateful for the tremendous generosity that our parishioners continue to show during these challenging times. Thank you for being such good stewards; your giving supports the mission of the church, a mission that the Lord Jesus gave to us all.

Please take some time to look over the data provided here. If there are any questions, feel free to reach out to our Senior Business Manager, Jen Smith, 513-661-6565 X2717.

Sincerely yours in Christ,

Fr. Andrew J. Umberg - Pastor Mary A. Dadosky - Director of Finance and Administration Jen Smith - Senior Business Manager

A note from our Advancement Team:

Last year, our parish community did something extraordinary. Nearly **150 donors** came together and contributed **almost \$100,000** in SGO gifts—directly supporting St. Ignatius students and families. That impact was incredible... and we can do it again!

Here's why these gifts matter so much: The State of Ohio now offers a **dollar-for-dollar tax credit** for donations to a certified Scholarship Granting Organization, or SGO. That means when you donate up to \$750 per person—or \$1,500 for married couples filing jointly—you can reduce your Ohio state tax bill by that same amount. It's not just a deduction. It's a full credit. Simply put: you can support Catholic education and pay *less* in state taxes. If you're married, remember that each spouse must make their **own** \$750 contribution to receive the full \$1,500 credit. You'll receive separate acknowledgement letters for documentation.

Making your gift is simple: Just visit the St. Ignatius School website, go to the "About" page and then "Support" and follow the donation link or there is a downloadable form you can use.

Your SGO gift strengthens our school, supports families, and costs you little—or sometimes nothing—out of pocket after the tax credit. It's one of the most powerful ways to invest in our mission and our students. **Thank you for considering a gift this year!**
