DESCRIPTION

As the key turns to open the door each school day, the commitment is to make St. Ignatius a great place to be a student, a parent, and a teacher. St. Ignatius Loyola School is a fully accredited Catholic elementary school serving students in preschool through eighth grade. In 1947 the Sisters of Mercy opened the four-room school for 105 students in Monfort Heights, a suburb on the edge of the city limits of Cincinnati, Ohio. The school has flourished with the community over the years and continues to grow in contrast to the local trends. Today, St. Ignatius is the largest Catholic grade school in the State of Ohio. Along with enrollment, the building and educational opportunities continue to expand.

The school has grown to 43 homerooms, with a total of 119 staff members and 1111 students! St. Ignatius attracts students from 27 zip codes. Besides the homerooms, the handicapped accessible school has two science labs, an art studio, gymnasium, stage, Spanish room, tutor areas, a state of the art makerspace, music room, nurse's office, full service cafeteria, and rooms for instructional specialists. The school psychologist, counselor, and two speech pathologists, occupational therapist and physical therapist have rooms in which to serve students. The campus also includes the church, parish center and meeting rooms, and a rectory for the three priests. The entire community enjoys the seven ball fields, half-mile walking track, tennis courts, courtyard, Lourdes grotto, and ample parking. The four elevators and 16 handicapped accessible restrooms on campus demonstrate the sustained commitment to serve all.

Success is rooted in a commitment to educate the whole person. The spiritual, moral, physical, emotional, and intellectual development of each student is promoted in a value-centered environment. In a cooperative effort with parents, the individual abilities of each student are challenged in appreciation of each person's God given talents. The objectives of the school follow the curriculum recommended by the state and the Archdiocese of Cincinnati for elementary schools. The objectives enable the child to become more aware of his/her relationship with God and fellow man, to acquire knowledge by providing experiences necessary to gain mastery of subject matter, to develop effective communication skills and work habits, and to be aware of personal and social responsibility, including self-discipline.

St. Ignatius is a pioneer in its unique ability to successfully serve a wide range of learners. In 2001, the school received the Greater Cincinnati Inclusion Network Leadership Award and in 2008, St. Ignatius was recognized nationally with the Blue Ribbon Award. Typically, students of all abilities are welcomed and challenged. This commitment to all learners has numerous benefits for all. A student's national percentile achievement score increases the longer the student attends St. Ignatius. By the 6th grade, the average scores place St. Ignatius near the top of the National scores, some of the highest around. At the same time, approximately 80 students are identified with disabilities and formal accommodations are made to match the individual learning needs of over 300 students. Inclusion works at St. Ignatius. Teachers are encouraged to make accommodations as needed with the assistance of a support team that includes a director of exceptional learning, an inclusion coordinator, school psychologist, counselor, inclusion specialists, instructional specialists, speech and language therapists, occupational therapists, physical therapists, audiology, teacher aides, peer tutors, and volunteers from the community.

St. Ignatius is recognized for excellence in the Greater Cincinnati Area. Xavier University and the College of Mt. St. Joseph frequently send college students to St. Ignatius for practicums, student teaching, and observations. The Archdiocese of Cincinnati directs educators and parents to St. Ignatius for examples of how to integrate technology, include special needs students, support professional development, and growing a faith community. St. Ignatius has become a destination for other schools who are building their commitment to educate all learners.

The strength of St. Ignatius Loyola School is found in the dedication of its well-qualified staff to help parents educate the whole child. The commitment to serve the individual needs of all students is a natural outcome of this clear mission. The staff is self-motivated and fosters an atmosphere of professional learners. The clear alignment of purpose and practice works together as the school helps parents raise their children and prepare them for high school and the modern world. The motto for the school in 1947, as well as now, stands strong: "All for the greater honor and glory of God."

MISSION STATEMENT

St. Ignatius educates our students by helping to develop their faith and by teaching them academic skills that will last a lifetime. Our programs are designed to celebrate and develop the individual gifts of our students and to assist parents in their efforts to educate the whole child. Our ultimate goal is to graduate students whose lives are examples of the Gospel message.

BELIEF STATEMENTS

We believe in a Christ-centered, joy filled environment where the children are encouraged to love learning, are inspired to grow in their faith, and are supported to achieve their dreams.

We believe that children should be respected as individuals with their own unique talents and abilities. We provide learning opportunities that allow for them to succeed.

We believe that in order for a student to achieve maximum potential, the spiritual, moral, intellectual, physical, and social elements of the whole child need to be developed.

We believe that teachers need to encourage and challenge our students to always strive to do their best by providing a positive, effective classroom environment for learning and by working as a member of a team, in conjunction with the other teachers, parents, specialists, and support staff. We challenge our students to realize that learning is lifelong. We also encourage our students to recognize the value of service in our family, school, parish, community, and world.

CORE VALUES

Since 1946, Saint Ignatius Loyola School has embraced a proud tradition of excellence in Catholic education. The school's success is driven by six core values:

1.) **The Centrality of God and the Catholic Faith:** We celebrate a strong Catholic tradition while maintaining Christ-centered academics and activities on a day-to-day basis. The presence of God is a constant at Saint I's. Together, with their parents, Saint I's introduces their students to the long-standing legacy of the Catholic faith. This provides a strong foundation, instilling ethics, morals, and the love for Jesus Christ.

2.) **Focusing on the Whole Child:** Saint I's excellent test scores, consistently in the top 10% of the country, are only one aspect of its quality education. The staff and faculty focus on the whole child, realizing the importance of spiritual, academic, physical, emotional, moral, intellectual, and social development. This comprehensive, whole child approach provides an environment where each student's unique abilities are both embraced and challenged, building the foundation for greater self-worth and life-long happiness.

3.) **Celebrating Diversity:** Embracing all God's Children: Utilizing Christian law as our cornerstone and the Commandment "Love your neighbor as yourself", Saint I's embraces diverse talents, abilities, and backgrounds. Our commitment to this Commandment begins with the inclusion of all students.

4.) **Modeling Stewardship:** Saint I's faculty, staff, and families provide examples of stewardship as they care for their community, their school, and their students. Their benevolence for the students and the respect that the students learn by their example creates a cycle of stewardship. Our children learn to be stewards of the Catholic Church, the earth, the community, and their individual gifts. Saint I's school is a training ground, teaching students to become good stewards both today and in the future.

5.) **Continuous Improvement:** Saint Ignatius school deliberately and intentionally works to continuously improve. We aim to be the best at getting better. Already a National Blue Ribbon School of Excellence and a recognized leader in academics and inclusion, the faculty is constantly planning for the future and building on its current success. Embracing the saying "You only coast when going downhill," both the school and the students are constantly reaching toward their personal best.

6.) **Cultivating Community:** Ignatius begins with I and ends with Us. Saint Ignatius is a dynamic experience for their students and their families. The students enter the school as an individual, but will soon become an integral part of the school, the Catholic Church, and the larger community. Becoming part of the Us comes with the responsibility to strengthen these communities, and our students achieve this through volunteerism, good citizenship, and the outward love for Jesus Christ

ACADEMICS

Curriculum

The Curriculum followed at St. Ignatius is based on recommendation by the Archdiocese of Cincinnati as well as state and National Standards. Each year an area of the curriculum is reviewed by the faculty. In most areas the curriculum offered at St. Ignatius is differentiated to meet the needs of the students.

Religion

Catholic doctrine and tradition, Bible study, Social Justice, preparation for the reception of the Sacraments of Reconciliation and First Eucharist in Grade 2 and Confirmation in Grade 7.

Grades 1-4 attend weekly Mass on Tuesdays and Grades 5-8 attend weekly Mass on Wednesdays. All-school masses are held throughout the school year.

Students in Grades 5 and 8 take the ACRE (Assessment of Catechesis of Religious Education) test in January.

St. John Paul II's Theology of the Body is imbedded in the curriculum in K-8 and a specific Theology of the Body course is taught in kindergarten through grade 8.

Language Arts

Reading, English, Spelling, Vocabulary, Writing, and Appreciation of Literature

Math

Mathematics skills, Pre-Algebra, Algebra I. Students in Algebra and/or geometry take the State End of Course Test in May.

In order to allow teachers to meet students' individual needs in mathematics instruction, students in Grades 6-8 are placed in math sections as determined by testing, grades, and teacher input. These sections are revisited every year.

Science

General Sciences and laboratory experiences

Social Studies

History, Geography, Economics, State History, and Current Events.

Spanish

Grades 6-8 Vocabulary, common expressions, grammar, conversation, and culture

Physical Education, Art, Music, and Technology

Students take part in these special classes on a regular basis throughout the year.

Homework

Homework is required of all students, but because of the wide variation in student self-discipline, organization, and ability, it is not possible to lay down many general directions. The amount of time spent on homework may vary depending on assignments, grade level, and the student. Our general guideline is for the average student to spend 10 to 15 minutes times their grade level on homework each night, give or take 50%. If you feel like your child is spending too much or not enough time on homework, please talk to the teacher. Many times what looks like unreasonable homework demands is a symptom of other issues such

as use of class time, or executive functioning deficits. If the completion of homework is becoming an issue morning homework sessions may be a helpful resource to consider with teachers and/or administrators.

How you as a parent can help with homework

1. Arrange a regular time to study and a place free of interruptions. Make sure that your child understands that non-written assignments (reading and studying) are an essential part of homework
2. Check to see that all work is completed on time, and that all the work, books and materials are brought to school each day. Check for neatness and following of directions. Check the planner on a regular basis.
3. Guide, but do not do assignments for the child. We are looking for grade appropriate work. Don't turn a grade school project into a high school project.
4. Do not deliver "forgotten" homework to school. When you interfere with the planned consequences, you are also interfering with progress to our common goal of building responsibility and independence.

Policies Concerning Homework

Students are responsible for school matter covered during absence. They should see the teacher about this make-up work as soon as they return to school. Students in grades 4 through 8 are encouraged to use a "Buddy System" which will be set up at the beginning of the school year by the student. When a student is absent, his/her buddy will be asked to take assignments and books to a designated place or person.

Students in Grades K-3 and their parents are encouraged to communicate with the teacher regarding missed work when the student returns after an absence.

Parent requesting to pick up assignments for the students who are absent should make the request with the homeroom teacher prior to 9:00 am and work should be picked up in the school office between 3:35 pm and 4:00pm. Other arrangements can be made by contacting the school office.

If a student is absent for a week or more, the completed homework should be sent back to school on a regular basis. The general policy for make-up work is for every day absent, a student is allowed two days to complete the assignments. Upon returning to school the student should confirm with the teachers the due date for missed assignments. If more time is needed, the parent should contact the teacher. Deadlines for long-term assignments are **not** extended due to absences.

REPORT CARDS

Your child receives a report card at the end of each academic quarter. These report cards are designed to invite interest and cooperation of parents. Your child is an individual and the information of his/her report card should not be compared with another child's progress. Report cards are emailed to parents through a secure document message. You will need to insert your child's student Identification number to access the

If you have any questions, request a conference with the teacher. Each of the teachers is interested in your child's progress and is willing to help him/her. (Also see Retention and Summer School Policy) An Interim Report will be sent home halfway through each quarter to students who are performing below average.

RETENTION and SUMMER SCHOOL

Students at St. Ignatius School are challenged to reach their maximum potential mentally, physically, emotionally, socially, and spiritually in order to become productive members of society. Each child is treated as an individual and is considered separately. At all levels, the academic progress, physical growth, and social and emotional maturity are factors considered for optimal placement. The Principal makes final decisions about each student after researching the situation and consulting with the parent and teacher.

Definitions:

Promotion: A student is listed for the next highest grade for the following school year.

Placement: After specific requirements are met and documented the student is listed for the next highest grade for the following school year.

Retention: A student is listed at the same grade level for a second year.

Summer Work: A recognized formal program of group or individual instruction that is taught by a certified teacher. Documentation is the responsibility of the parent and the tutor or administrator of the summer program. Students may be required to pass a performance evaluation/test to determine readiness for the next grade. Summer work requirements may also be met through completion of alternative programs with prior approval by school Administration.

Passing: To pass a subject, students in grades 4-8 must maintain an average of 70% or higher for the year and earn a D- or higher in the 3rd or 4th Quarter. They must also not receive an incomplete. For Final Grade calculations, science and health will be computed as one course.

Academic Assessment Scale

- 4 - Consistently Demonstrates/Exceeds Proficiency
- 3 - Frequently Demonstrates Proficiency
- 2 - Progressing Toward Proficiency
- 1 – Demonstrates Limited Progress Toward Proficiency

Primary Grade Scale Grades 1, 2 & 3

- O (Outstanding)= 93-100%
- S+ (Satisfactory Progress Plus) = 85-92%
- S (Satisfactory Progress) = 77-84%
- S- (Satisfactory but needs work) =70-76%
- N (Needs improvement) =0-69%

Policy:

1-3: Promotion through the primary grades is determined mainly by the child's proficiency in reading and math. Placement or retention occurs when a primary student scores N in both subjects. Summer work is required when a final average of N is earned in either subject or if a student is achieving below grade level.

4-8: Promotion occurs when a student passes the five major academic subjects: Reading/ English, Math, Religion, Math Science/ Health, and Social Studies. Retention or placement occurs when 2 major subjects are failed. Summer work is

mandatory when any major subject is failed or if the student is achieving below grade level. Students may be required to pass a performance evaluation / test to determine readiness for the next grade. Only students who are promoted to 9th grade will participate in 8th grade graduation activities.

Standardized Testing

1. Students in grades 2 through 7 will take the Iowa Tests in the spring. Students in grades 2 and 5 will also take the Cognitive Abilities test at that time. Parents receive the results of their child's performance on these tests through an emailed secure document.
2. Any student participating in the Peterson or Autism Scholarship programs will take the Ohio Achievement test according to the State schedule.
3. All students will be participating in regular standardized benchmarking throughout the year.

Assignment Log/Morning Support

(Formerly, Yellow Slips) Assignment Logs document incomplete homework, homework not turned in, directions not followed, or missing class materials for students in grades 3 through 8. When a student accumulates six (6) missing assignments in one quarter, a Morning Support session is assigned. The purpose of Morning Support is to assist students with organization, study skills, time management, etc. Two certified intervention specialists are available to provide guidance and support.

Morning Support takes place from 8:00am to 8:45am. Parents are notified at least one day before the session, and they are responsible for the student's transportation to school. Morning Support takes priority over extracurricular activities. After a student receives his/her 10th assignment slip, that student is required to attend Morning Support every day for the remainder of the current quarter, as well as the following quarter. If a student is present at school on the assigned day and does not attend Morning Support, he/she will be required to serve lunch/recess time in the office and attend Morning Support the following day.

Structured Study Hall

Students in grades 6,7, and 8 who need regular academic support are recommended for Structured Study Hall. At least two certified teachers/intervention specialists are available during that time to help students with organization, study skills, time management, etc.

PRINCIPAL'S AWARD

In grades 1-8, student effort and self-discipline are recognized each quarter with the Principal's Award.

In grades 1-3

The **First Principal's Award** will be given to students who:

- Show strong or satisfactory personal development (no check marks in this section of the report card).
- Have received no conduct slips.
- Received 0, or 1 slip/notices (for assignments, etc.)

Withdrawal

The Catholic Church and this Catholic school recognize parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. Ultimately, all the good, exciting and valuable things that make up the school year will happen because of the cooperation between the home and school. The positive and supporting relationships between parents and the school is a remarkable example for children on how to problem solve and interact in the world. If, in the opinion of the administration, the partnership is no longer positive, supportive or irretrievably broken, the school reserves the right to require the parents to withdraw his or her child. This includes behavior by the parents/guardians that could be considered as non-cooperation, verbally harassing or yelling at staff, or berating staff through email, phone calls or meetings. This is a very serious decision that is not made lightly. The support we give each other helps to make Saint Ignatius the special school that it is. The commitment to God, to excellence, to the best that is in each of us, and concern for each other, is always our goal.

A parent withdrawing a child or children from St. Ignatius School is requested to notify the Principal two weeks in advance in order that records and report cards may be available for forwarding at the time of the transfer to another school. All student records are processed and released according to guidelines established by Public Law 93-380 or the Family Educational Rights & Privacy Act (FERPA, January 8, 2009). A request for release or transfer of school records must be signed by a parent or guardian prior to their release.

WITHDRAWAL FOR ACADEMIC REASONS

A school may request that a parent/guardian voluntarily withdraw a student for serious academic reasons if the student is unable to meet the school's academic rigor. If such a request is made, the following conditions shall have been fulfilled:

Prior to a withdrawal of student for academic reasons, St. Ignatius could do any of the following to assist student and parents:

1. Create an intervention plan for the student with specific goals set.
2. Have a parent/teacher conference to discuss the intervention plan.
3. After a period of time, the principal will determine if the plan is successful.
4. If the plan is not successful, the principal can request the child be withdrawn from school. The school reserves the right to withdraw the student if the parent is unwilling to do so voluntarily.

All textbooks and materials belonging to the school must be returned to the homeroom teacher before date of withdrawal. Tuition and fees should be checked with the parish office, school office, cafeteria, and library. When an elementary school student transfers to another school, a copy of the Permanent Record Card will be sent to the school that the child is entering after all outstanding debts are paid.

GENDER IDENTITY POLICY

In being consistent with Catholic doctrine and following Archdiocesan policy, Saint Ignatius of Loyola School supports students with gender dysphoria by treating them with sensitivity, respect, mercy and compassion. Policy does require that these students' biological sex will determine: names and/or pronouns used, uniforms and gender appropriate dress, bathrooms, participation on any sports teams, and sleeping accommodations while on overnight trips. Saint Ignatius of Loyola School will provide reasonable accommodation to a private bathroom for use by any student who desires increased privacy.

1. Students may bring in a check or cash to the cafeteria before the start of classes and we will credit the student's account for them.
2. Parents may charge their child's lunches using their credit card. There will be a fee charged to their credit card account to do this. Parents will need their child's student number and can access their account at www.k12paymentcenter.com. Detailed instructions can be found on the school website under Cafeteria.

Lunch menus are posted in the weekly Wildcat Wire, on the school website as well as the school app, and in the cafeteria. If a child forgets his/her lunch money and does not have money on account, provisions will be made with the cafeteria management for that child for that day. Notice will be sent home at the end of each week with those children who owe \$5.00 or more to the cafeteria. Parents should see that this money is paid to the cafeteria within the week. Arrangements for payment of lunches other than daily or pre-paid account, can be made with the cafeteria management. If you wish to volunteer for the cafeteria and you do not receive a form by September, please call the cafeteria.

Information about free and reduced lunches is available from the cafeteria manager.

COMMUNICATION

1. Expressions of parental concern for their children are always welcome. Ideally problems are to be handled by the people closest to the issue. If there is a concern regarding your child, please contact the teacher first. You can contact the teacher by calling 389-3242, ext. 7, and entering the teacher's last name. Parents may also send a note to the teacher. Please do not call a teacher at home. If you have a concern or a suggestion about a general situation at school, please contact the principal by calling the school office. Policy concerns and suggestions may also be directed to the principal or to the School Committee.
2. Parents can access their child(ren)'s current grades and attendance through PowerSchool on the Internet. Follow the links from the parish (<http://www.sainti.org>) or school websites (<http://www.saintschool.org>) or go to <https://saintignatius.powerschool.com/public>. The school will provide confidential ID's and Passwords.
3. Parents can also access their child(ren)'s assignments and teacher web pages. Follow the links from the parish (<http://www.sainti.org>) or school websites (<http://www.saintschool.org>). The school will provide confidential ID's and Passwords to the students and parents. You must login and register to view the individual teacher pages and information.
4. Teachers are usually available before and after school by appointment. Parents or students should not call teachers at their homes or show up at the school without an appointment.
5. Parent-Teacher Conferences are scheduled during the year. The conference dates and the sign-up procedure will be published in the Wildcat Wire. Conferences may be scheduled at other times by appointment.

(Helpful hints for how/when to communicate with your teacher

-Staff is instructed to return phone calls or emails within 24 hours, whenever possible, but always within 48 hours. If you do not receive a reply within 48 hours, please try again or contact the school office.

-Please understand that teachers receive many emails so a short, to the point answer should not be taken as dismissive but as efficient.)

6. Deliveries: Parents are discouraged from bringing forgotten items to school to be delivered. We believe the children are best served if the natural consequences are allowed to take place. If the circumstances are extenuating and a parent brings eyeglasses, medications, etc., for the students, they must be brought to the office and not the child's classroom.

7. **SNOW**- If a snowfall during the night causes cancellation of classes; listen to the radio or TV Stations. We will activate our notification system as soon as possible. FYI, since the majority of our students live in the Northwest School District, we will follow the decisions of Northwest Schools and ALL of our students need to watch for Northwest delays or closing. It is a problem if Cincinnati Public, Oak Hills or Three Rivers is delayed and Northwest is not. In this case, school is officially open and in session on time and students living in Cincinnati, Oak Hills and/or Three Rivers need to either get a ride to school or realize their bus will arrive well after school has started. These students will be posted as tardy, excused (90 min) or 1/2 day excused absence. If Northwest is on a delay, their busses will run on the delay. Cincinnati Public, Oak Hills, and Three Rivers busses are not affected by Northwest's delays and will run on schedule unless those districts also call a delay. We understand the difficulty and realize that you will do what you can. Fortunately, these situations are extremely rare. Though instruction will be

delayed if Northwest calls a delay, supervision will be provided for students who are delivered by Oak Hills, Cincinnati Public Transportation, or Three Rivers.

A.M. Kindergarten and half day pre-school classes held in the morning is cancelled when we have a two-hour delay. The extended care program will be cancelled if school is closed. For delays, students who use the extended care program may arrive at the usual 7:15 A.M. time. The cost will remain the same, \$4.00. In case of a delay that is changed to a cancellation, you are asked to provide the name and phone number of someone who will be able to come and pick-up your child by 11A.M.

If we have a 2-hour delay, all before school activities are cancelled. This includes but is not limited to Spanish, band, choirs, and tutoring. The only exception is Morning Care, which will operate as scheduled at 7:00 am. If school is closed, all school activities are cancelled including Morning Care.

8. Emergency forms and a Student Profile information sheet will be given to the children on the first day of school. It is important for you to verify the information or fill in the requested information and return the forms to school the following day. It is the parent's responsibility to keep the information on the emergency forms up to date. Please notify the school office of any changes.

9. If for any reason a child cannot take part in Physical Education Class or some part of it for a given length of time (more than one week) or permanently, this must be indicated in writing by a physician.

10. Slips or Log Entries are key pieces of school communication notifying parents of an expectation that was not met.

a. White Slips are sent home to notify a parent of improper conduct. b. Assignment Slips are homework notices. Students also use the Assignment Log that is found in front of their planner. Notices are sent home to notify a parent that an assignment was incomplete, late, or done incorrectly.

b. Green Slips are issued for noncompliance with the dress code.

Your cooperation in signing and returning them immediately along with completed work (if applicable) is necessary. If you disagree with the slip or entry or need to discuss the matter further, please talk to the school official who signed the slip/log. The positive discipline that results from being held accountable is dangerously undermined when doubts and disagreements are communicated to and through the student.

11. No student will be called to the telephone during school hours except for an emergency. Students must ask for permission to use a telephone or any communication device at any time.

12. Announcements are made daily at 3:30 P.M. Messages to be announced should be in the office by 3:00 P.M.

13. Parents/Guardians are required to provide requested information to the school. Refusing to provide accurate information, providing false, incomplete, or inaccurate information to the school, may result in the denial or revocation of admission and/or disciplinary action, up to and including suspension and expulsion.

CONDUCT/DISCIPLINE

In accordance with the stated philosophy of the school, which emphasizes deep respect for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. The school is not responsible for damaged, lost or stolen PED. Pagers and electronic games and devices such as iPods may NOT be used or possessed at school without specific permission from a teacher. Watch chimes must be turned off. iWatches may not be used for texting during the school day.

Harassment, Intimidation, and Bullying Policy

It is our expectation that students and adults treat each other in a kind and Christ-like manner. To that end, we are committed to fostering a safe environment for all students free of bullying.

1. General:

It is the policy of St. Ignatius School (the "School") that any form of harassment, intimidation, or bullying, regardless of where, how, or when it takes place, is expressly forbidden. The School's internet, materials, and computer system may not be used to engage in harassment, intimidation, or bullying. The "Student Responsible Use of Technology" form must be signed by each student and on file with the School. The School reserves the right to impose discipline for harassing, intimidating, bullying, and other inappropriate behavior that takes place off School grounds and outside School hours.

2. Definition of Terms

"Electronic act" means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

"Harassment, intimidation, or bullying" means either of the following:

- Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:
 - Causes mental or physical harm to the other student; and
 - Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.
- Violence within a dating relationship.

"Harassment, intimidation, or bullying" also means electronically transmitted acts i.e., by Internet, social media/network, blog, cell phone, personal digital assistant (PDA), wireless hand-held device, or other electronic communication device, that a student has exhibited toward another particular student more than once and the behavior both:

- Causes mental or physical harm to the other student; and
- is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen and the actions taken, whether such conduct occurred in front of others or was communicated to others, how the offender interacted with the victim, and the motivation, either admitted or appropriately inferred. Accordingly, what may constitute harassment, intimidation, or bullying in one circumstance might not constitute such in another. As in all disciplinary matters, the School will make this determination utilizing its sole and absolute educational discretion and judgment. This pertains to threatened or acted upon actions or words.

3. Types of Conduct

a) Harassment, intimidation, and bullying can include many different behaviors including,

but not limited to, overt intent to ridicule, humiliate, or intimidate another student. Examples of conduct that could constitute prohibited behaviors include: Engaging in unsolicited and offensive or insulting behavior; Physical violence and/or attacks; Threats, taunts, and intimidation through words and/or gestures; Extortion, damage, or stealing of money and/or possessions; Exclusion from the peer group or spreading rumors; and repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies, computers, cell phones, other electronic devices, the Internet, online websites, blogs, or social media/networks (also known as "cyber-bullying").

Examples of cyber-bullying include, but are not limited to, the following: Posting slurs on the Internet, websites, blogs, or social media/networks; Sending abusive or threatening instant messages, text messages, emails, or other communications through the Internet, websites, blogs, or social media/networks; Taking embarrassing photographs of students and posting them online or otherwise distributing them; and Using the Internet, websites, blogs, social media/networks, or electronic communication devices to impersonate another individual or circulate gossip or rumors to other students.

4. Complaints

a) Formal Complaints - Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such written reports shall be reasonably specific including persons involved, number of times and

places of the alleged conduct, the target of the suspected harassment, intimidation, or bullying, and the names of any potential witnesses. Such reports may be filed with any School staff member or administrator, and they shall be promptly forwarded to the principal or his/her designee.

b) Informal Complaints - Students and/or their parents/guardians may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher, School administrator, or other School personnel. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including persons involved, number of times and places of the alleged conduct, the target of the prohibited behavior, and the names of any potential witnesses. A school staff member or administrator who receives an informal complaint shall promptly document the complaint in writing, including the above information. This written report by the School staff member and/or administrator shall be promptly forwarded to the principal or his/her designee.

c) Anonymous Complaints - Students who make informal complaints as set forth above may request that their name be maintained in confidence by the School staff member or administrator who receives the complaint. The anonymous complaints shall be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the concept of fairness to the student alleged to have committed acts of harassment, intimidation, or bullying.

5. School Personnel Responsibilities/Response

a) Document all information from the individual filing the report and the accused. Teachers and other School staff who receive student or parent reports of suspected harassment, intimidation, or bullying shall promptly notify the principal or his/her designee of such reports. If the report is a formal, written complaint, such complaint shall be forwarded promptly to the principal or his/her designee. If the report is an informal complaint by a student that is received by a teacher or other staff member, he or she shall document the informal complaint and promptly forward it to the principal or his/her designee.

b) Investigate- Once notified of a formal or informal complaint, the principal or his/her designee shall document the investigation, including any conversations with the alleged offender, victim, students, or other witnesses. Written statements may also be obtained from these individuals.

6. Response

a) Verified acts of harassment, intimidation, or bullying shall result in an intervention by the principal or his/her designee. The intention of such intervention is to ensure that the prohibition against harassment, intimidation, and bullying is enforced, with the goal that any such prohibited behavior will end.

b) When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences, including suspension and expulsion. Anonymous complaints that are not otherwise verified, however, shall not be the basis for disciplinary action.

c) Harassment, intimidation, and bullying behavior can take many forms and can vary dramatically in seriousness and impact on the victim and other students. Accordingly, there is no one prescribed response or discipline to verified acts of harassment, intimidation, or bullying. The forms of discipline listed in this Handbook are guidelines, and the School may use other disciplinary measures as the situation warrants. The decision whether to impose discipline and, if so, to what extent, is left to the professional and educational discretion of the principal or his/her designee.

d) Once harassment, intimidation, or bullying has been verified, the principal or his/her designee should monitor the situation to determine whether there have been additional incidents of harassment, intimidation, or bullying, or retaliation from the offender or other parties. Additionally, the principal or his/her designee may inform School personnel of the incident and instruct them to monitor the victim and the offender for indications of harassing, intimidating, bullying, or retaliatory behavior. School personnel are to intervene when prohibited behaviors are witnessed.

7. Reporting

a) Report to the Parent or Guardian of the Offender: If after investigation, an act of harassment, intimidation, or bullying by a

specific student is verified, the principal or his/her designee shall notify the Offender's parent/guardian of that finding. The parent/guardian shall also be notified of any disciplinary consequences imposed against that student.

b) Report to the Parent or Guardian of the Victim - If after investigation, an act of harassment, intimidation, or bullying against a specific student is verified, the principal or his/her designee shall notify the victim's parent/guardian of such finding.

c) Police and Child Protective Services - Allegations of criminal misconduct will be reported to law enforcement, and suspected child abuse will be reported to Child Protective Services, consistent with the Archdiocese Decree on Child Protection and Ohio law. All school personnel must cooperate with investigations by outside agencies.

8. Miscellaneous

No discipline issued pursuant to any Handbook shall bind the School to issue the same, or even comparable, discipline to other students in the future. Nor will any form or extent of discipline be construed as a precedent for how discipline will be imposed moving forward. Rather, the School reserves sole judgment and discretion in disciplining students based on the particular circumstances of each incident, including but not limited to the respective age(s) of the student(s) involved, the student(s)' perceived maturity level, the conduct at issue, the student(s)' attitude and degree of cooperation, the student(s)' disciplinary history, and any other aggravating or mitigating circumstances the School deems present. Nothing in this section, or anywhere else in this Handbook, limits or otherwise constrains the School's authority, discretion, judgment, or responsibility in any student disciplinary matters.

Discipline Policies

Discipline Policies are in effect during school hours, going to and from school, and at all school/parish events. Generally speaking, the staff, the principal, and the principal's designee have the responsibility for maintaining proper order and have the authority to correct students who do not abide by the school regulations or who do not act in conformity with generally accepted rules of personal conduct. Please note, video recordings may be used to achieve the school objectives, including helping a student demonstrate personal responsibility and self-discipline.

Disciplinary Actions

The following forms of disciplinary action are approved:

1. Conference with student to make him/her see the error of his/her ways.
2. Time out in the hall, office or other classroom.
3. Slips/log entries sent home stating the infraction. (See Slips under Communications)
4. Detention- When students in grades 3, 4, 5, 6, 7, and 8 receive a conduct slip/notice, they will serve a 45-minute detention before school. Detention will be held mornings at 8:00 am. Parents will be notified at least one day before the detention and they will be responsible for the student's transportation to school. Detention will come before all other morning activities. Detention may also be assigned to students in grades K-2.
5. Conferences with the parent- The classroom teacher will generally contact the parent in writing, e-mail or by telephone upon repetition of minor offenses; or the Principal will contact the parent in writing or by telephone on the major offenses or repetition of less serious offenses.
6. Work Detail- Work Detail may be assigned depending on the offense. Work detail is physical labor either during the school day or on non-school hours under parent supervision.
7. Suspension- not to exceed ten days. Suspension is a disciplinary procedure by which a student is removed from the school/classroom for a specified period of time to provide the student with the opportunity to realize that certain aspects of his/her attitude and behavior are unacceptable in the school community.
 - The administration will investigate the situation by meeting with staff, student and any other witness in the incident. Exact reasons for the suspension and conditions to be met before the suspension can be revoked will be detailed in a suspension letter to the parents. Should a student's behavior be deemed threatening, to self or others, he/she may be removed immediately, with the above requirements to be fulfilled as soon as possible.
 - Any student suspended or expelled from school will be suspended from all St. Ignatius activities.

(Athletics, Scouts, PTA, Choir, Youth Group, ETC.) A student cannot participate until s/he has returned for a full successful day to the school from which they were suspended or expelled. Therefore, if a student's suspension ends on a Friday, s/he cannot participate until Monday, or the day s/he returns to school. If a student earns a Monday suspension on a Friday s/he is not eligible to participate all weekend. The Parent is responsible for notifying the adult in charge of the activity. The Principal may also contact the adult in charge of the activity.

8. Home Suspension- The student must be kept home under parental or adult supervision during the time of suspension. Work will be emailed to parent or found on class website. Textbooks can be picked up before school 8:15-8:45 or after school 3:30-4:00 in the office or at the parish office until 7pm. Completed work should be handed in upon student's return to school. The student will then be on probation for the remainder of the school year and subject to automatic dismissal from the school upon repetition of unacceptable conduct or refusal to do required assignments.
9. In-School Suspension - The student will attend school under special supervision. The student will not be in their usual classrooms or the cafeteria. The student will be responsible for all assignments.
10. Home Instruction- The parents will be required to arrange a minimum of one hour of tutoring a day. A St. I staff member will post/communicate work and arrangement for returning work.
11. Expulsion –Expulsion will be considered and implemented only in the most serious of incidents or after all other discipline measures have been applied without success. The principal and parent(s) of the child will confer before a student is indefinitely suspended. Indefinitely suspended students may not attend school or receive any school services (normal parish services--sacramental preparation, etc. are not affected). Indefinitely suspended students may petition for readmission in the next academic year. Students may be indefinitely suspended for a one-time event of a very serious nature or a continuous pattern of infractions that prove detrimental to the learning environment. Exact circumstances cannot be determined in advance. All expulsions are reported to the Archdiocesan Superintendent and to the Pastor. A parent/guardian who believes his/her child has been expelled for insufficient reason have the right to appeal, in writing sent through the US mail, to the Superintendent.

Use, Selling, Possessing or Passing of Drugs

Suspension/Expulsion will result if any student is involved in drugs during school hours or at any school or parish sponsored function, regardless of location. A drug is any controlled-substance or any substance made to look like a controlled substance. The eligibility of that student to return to school will be determined by the Principal after considering the following:

1. Disposition of proper authorities (police, court, etc.)
2. Results of complete physical and/or psychological examinations. These must be put in writing and forwarded to the Principal.
3. Written statements from student and parents outlining a plan for rehabilitation
4. Past record of student
5. Conference with parents, student, Pastor and Principal to outline the conditions that must be adhered to with the student.

Off-Campus Conduct

The administration of St. Ignatius School reserves the right to discipline its students for off-campus behavior that is not in line with behavior expectations of its students during the course of the school

day. This off campus behavior includes but is not limited to cyber-bullying, unsportsmanlike behavior, or any behavior that would reflect negatively on St. Ignatius. It is also not limited to school days.

State Law requires that safety drills be held monthly. During the fire drills, students should follow these regulations:

1. Rise in silence when the alarm sounds;

2. Close windows and doors;
3. Walk to the assigned place briskly, in line at all times, and in silence;
4. Return to building when signal is given.

Tornado drills are held periodically. The procedures are:

1. Rise in silence when the alarm sounds;
2. Walk briskly to the assigned place in single file;
3. Sit, face wall, and put hands over head;
4. Return to classroom when signal is given.
- 5.

Crisis Plan

St. Ignatius School has implemented a “crisis plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to secure designated locations.

No one is permitted to enter the building during lockdown procedures. Parents should watch our web page and local media for updates.

FIELD TRIPS

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. Field trips are re-evaluated each year to determine the trips compatibility with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.
6. Field trips are permissible for all grades when advanced planning, location, and the experience insures a successful learning opportunity.
7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. **Note:** a fax or email does not take the place of an original signature. If the cost of a field trip is a burden for your family, please contact the principal for special arrangements.
9. Parents who chaperone a field trip may not bring preschool or school age siblings on the field trip.
10. Cell phones or any electronic devices are not allowed to be brought on the field trip by students unless authorized by the teacher &/or administration.
11. At least one certified educator is required to attend any Field Trip. All other chaperones must be Virtus certified.
12. The Field Trip Sponsor shall bring all student emergency medical cards and any needed student medicines or medications on the Field Trip.
13. During the Field Trip, the students are the responsibility of the school. Students shall not be left unsupervised for any reason.
14. It is strongly recommended that schools utilize buses for transportation to and from Field Trip sites. In cases where student or parent vehicles are used, parents shall be made known that they are assuming the liability for any children in their vehicle. In parent vehicles, at least one other Virtus trained adult (in addition to the parent) shall be present in the vehicle unless they are traveling in a caravan. Students and parents shall be encouraged to follow all traffic safety laws. Each student must be buckled into a seatbelt and/or approved child safety seat as required by law.

HEALTH AND WELLNESS

A. Health

1. All children attending St. Ignatius School must have a current immunization record on file at school as required by State Law. Any deficiencies in the immunization record may result in the exclusion of the student until the health record

is updated properly. Saint Ignatius School complies with the minimum immunization set forth by R.C. 3313.67 and 3313.671. Although Saint Ignatius School complies with those minimum immunization requirements, it also retains discretion to enforce stricter requirements at any time, for instance, by requiring vaccination even over a guardian's conscience or religious conviction or by revoking a previous exception.

2. Parents have the primary responsibility to communicate regularly and directly with the school staff concerning chronic medical conditions, such as asthma, food allergies etc. Please keep your child's school health record current by notifying the school nurse of any chronic medical conditions, illnesses and medications. It is the policy of the school to notify faculty as appropriate medical conditions noted on the health record or emergency medical form. It is also our policy to notify bus transportation of any medical condition that could result in an emergency situation. Some medical conditions require the completion of an Emergency Action Plan, and will be requested by the school nurse.

3. Parents are required to notify the school nurse of any student plans for foreign travel at any time during the year. If the nurse determines that travel was to a "high risk country" and travel was in a "non-tourist capacity", a TB test will be required.

4. The administration of all prescription medication at school requires the written order of a physician and the signed permission of the parent/guardian. (medications listed on the Over The Counter Medications Consent Form described below only need a parent signature.) If it is necessary for your child to take medication at school, these guidelines must be followed:

- a. All medication must be brought to the school nurse by the parent.
- b. Medication must be in original containers (child proof) and have the original affixed prescription label including the student's name, name of medication, dosage, time, and current dosage
- c. An Administration of Medication form must be completed on each medication that needs to be administered at school. Both the licensed prescriber and the parent must sign the form. Forms can be brought in or faxed to the school nurse at 513-389-3251.
- d. Any changes to the administration of prescription medication must be submitted in writing on a new Administration of Medication form, signed by the prescriber.
- e. New Administration of Medication forms must be submitted each school year and as necessary for changes during the year. These request forms are available in the school office, in the appendix of this handbook, and on the school web page under the tabs: For Parents, School Nurse.
- f. Students are NOT permitted to carry or dispense medication. Exceptions may be made only for potentially life threatening medication conditions such as Epipens and Inhalers, and ONLY if the parent and physician agree that the student has the ability to administer the medication and is responsible to carry it safely. Misuse and/or failure to keep medications safe and out of the hands of non-authorized persons may result in disciplinary and civil consequences to both the student and parent.
- g. All medication left in the Health Room at the end of the school year must be picked up by the parent before the last day of school. All unclaimed medication will be disposed of on the final day of school each year.
- h. An optional Over The Counter Medication (OTC) Consent form is available to all students. With parental signature, the school nurse can administer only the medications listed on the form which are: Acetaminophen, Ibuprofen, cough drops, anti-itch ointment, antibacterial ointment as needed, according to the OTC label and directions. The school nurse will inform the parent if medication (other than cough drops) is administered. If your child is prescribed a dose of one of these medications that is different from the OTC label and directions, an Administration of Medication form is required. See a through g above.

5. Screenings:

- a. Vision and hearing are conducted at regular intervals according to state guidelines (Kindergarten, first, third, fifth and seventh (vision only). If you feel your child needs to be screened at any other time, you may request it.
- b. All students in grades six and seven are offered screening for scoliosis. The purpose of this screening is early detection of a curvature of the spine, which if diagnosed early, can be corrected. Parents will be given a consent form.

6. If a child becomes ill or is injured at school, the school nurse will call the parent. If the parents cannot be contacted, we will follow the instructions on the emergency form. It is imperative that we are able to contact someone on the list at all times. If the contact people will not be available due to a vacation, lack of transportation, or other circumstances, please send written notice to the office with a substitute or replacement contact.

7. When to keep your child home from school. St. Ignatius follows the guidelines recommended by the Ohio Department of Health:

- a. Fever. If your child has a fever (a temperature of 100.0 F or greater) they should remain at home until they have been fever free for a full 24 hours (without giving Tylenol or Ibuprofen) and they have returned to their normal level of activity. It is important for you to take your child's temperature before giving the fever-reducing medication.
- b. Vomiting and/or diarrhea. Your child should remain at home until they have been without any episodes of vomiting or diarrhea for a full 24 hrs. and have resumed a typical diet. If your child has had any of these symptoms during the night she/he should not be sent to school the following day.
- c. Cold symptoms. Runny noses are a fact of life with children. However, if the drainage is thick and green or if your child has persistent or productive cough, please have your child stay home and consider consulting your child's doctor. A constant dry cough can be a sign of more serious respiratory problems and the doctor should be notified.
- d. Redness or discharge in the eyes. Redness of the white part of the eye, burning or itching, yellow or white matter or crusted eyelashes can indicate pinkeye or conjunctivitis. Your child should remain at home until she/he has seen the doctor and if prescribed, antibiotic eye drops for 24 hours.
- e. Sore Throat. If your child has a persistent or severe sore throat they should remain at home. You should consider contacting your child's doctor if there is a fever, white patches on the tonsils, swollen tender glands, headache or stomach ache. These could indicate a possible strep infection. If that is the case, your child should remain at home until they have had 24 hours of antibiotics and have resumed normal activity.
- f. Communicable Diseases: The school may send a student home if it appears that they may have a contagious illness. The parent may be asked to provide a doctor's note indicating the symptoms have been evaluated before the student is allowed to return to school. The Ohio Department of Health Communicable Disease Chart serves as the guidelines for determining the recommendations for the student.

8. St. Ignatius now has an Epinephrine policy. In accordance with Ohio House Bill 296, we have both an Epi-Pen and an Epi-Pen Junior to use in the event of a suspected severe allergic reaction. The rationale is that twenty-five percent of severe, potentially life-threatening allergic reactions reported at schools happen in children with no previous diagnosis of food allergy. Students with known food allergies are still required to provide their own Epinephrine auto-injector to school. If you have any questions, please call the health room at 389-3242 Ext. 4.

- Students will be encouraged to participate in school and community sports programs, including "Wildcats on the Move", and to be physically active outside of school.

3. Plan for measuring implementation of the local wellness policy

The success of the local wellness program will be measured by:

- The school nurse will track the weight of new students and students in odd levels as part of our usual health screenings.
- The cafeteria staff will survey students and/or parents on eating choices annually and adjust the menu offering to align preferences with nutritional guidelines.
- Mastery of health objectives will be measured with teacher made tests
- The Physical Education teacher will track the number of students who meet Presidential and National fitness standards.
- Individual progress on the "Wildcats on the Move" will be tracked cumulatively for the entire experience at St. Ignatius School (Gr. K-8). We will recognize milestones every ten, 50, 100, and 250 miles.
- Some physical education classes will track students' heart rate as part of their physical fitness programs.
- The local wellness committee (A subcommittee of the School Committee) should revisit the wellness policy annually to revise, update, or amend the policy as needed.

- A health and wellness fair will be held at least every other year at the end of the year. Topic may include bike safety, water safety, fitness, hygiene, fire safety, personal training guidelines, nutrition, first aid, etc.

5. Community involvement in the development of the plan.

Input will come from parents, students, school food authority, administration, and the public. Healthy and physical education teachers should be included.

PARENTS AS PARTNERS

As partners in the educational process at St. Ignatius Loyola School, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has lunch money or nutritional sack lunch every day.
- To actively participate in school activities such as Parent-Teacher Conferences;
- To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;
- To notify the school with a written note when the student has been absent or tardy;
- To notify the school office of any changes of address or important phone numbers;
- To meet all financial obligations to the school;
- To inform the school of any special situation regarding the student's well-being, safety, and health;
- To complete and return to school any requested information promptly;
- To read school notes and newsletters and to show interest in the student's total education;
- To support the religious and educational goals of the school;
- To attend Mass and teach the Catholic faith by word and example;
- To support and cooperate with the discipline policy of the school;
- To treat teachers with respect and courtesy in discussing student problems.

Parent's Role in Education

We, at St. Ignatius Loyola School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of St. Ignatius Loyola School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life. Weekly attendance and participation in the Sunday Liturgy is not only prescribed by Church Teaching and Canon Law but is the time where the parent models the highest form of prayer and gratitude to God.

Once you have chosen to enter into a partnership with us at St. Ignatius Loyola School, we trust you will be loyal to this commitment. During these formative years (pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor staff can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and staff remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Talking negatively about a child's teacher at home will only create an attitude of distrust toward the staff, the school, and the parent.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation, new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, tests, service projects, and all other assignments. Parents are encouraged to let their child experience a logical consequence for an inappropriate action or behavior. This responsibility also extends to times of absence.

Together, let us work with a commitment to partnership as we support one another in helping your child to become their best.

PLAYGROUND PROCEDURES

Staff and parent volunteers supervise the playground.

- a. Students should remain on their designated playground area. If a ball leaves the play area, the student needs to get adult permission to retrieve it.
- b. Football, "Keep away" and dodge ball of any form is not to be played at any time.
- c. The school will provide all equipment for recess play. Ropes are for jumping only. Check with the teacher on duty before playing kickball, whiffle ball, or other large group activities. Please leave your own toys and equipment at home.
- d. Students and/or parent volunteers should report all injuries and dangerous situations to a school employee.
- e. All play stops when the bell rings. Listen to the adult for directions.
- f. If a child makes a reasonable request to play in a game, he/she must be allowed to participate.

TECHNOLOGY

Photo Release Agreement

St. Ignatius students are encouraged to sign a Photo Release agreement. We have had some occasions when a parent did not realize the impact of this agreement. For example, students without photo releases cannot have a picture of their winning sports team or academic accomplishment published in the Wildcat Wire. We want to make sure that we are respecting the privacy of every family as well as meeting the social and emotional needs of students when they are hoping to see their pictures published.

One of our core values at Saint Ignatius is continuous improvement. Part of this is a commitment to keeping up with technological advances including communicating on Facebook, Twitter, and other media sources. (Find us on Facebook at *Saint Ignatius School, Cincinnati* and on Twitter at *BestofSaintI.*) When you visit these accounts, I think you will find that our pictures are used in an appropriate way that spreads Saint I’s mission throughout the community.

Again, we always want to respect the individual privacy of each family. If you choose not to sign the release, please make sure your child is aware of your desire. You may also want to inform your child that they should remove themselves from group photos when a camera is present so we do not have to ask them to do so. Please be aware that other parents may take photographs of your child during classroom parties, field trips, athletic events, or other school-related activities.

St. Ignatius cannot control the extent to which other parents publicize such photographs on social media or in other forums, and assumes no liability for any such publications. If you are a parent who takes photographs that include children other than your own at school-related activities, St. Ignatius encourages you to be aware of and sensitive to the preferences of other parents when it comes to publicizing those photographs. If a student asks to be excluded from a photo, that request will be honored.

This release becomes effective at time of enrollment and remains in effect for new photos the entire time the student is enrolled at St. Ignatius. Should you ever wish to revoke the permission granted by the release, simply send a letter to Advancement Office, 5222 North Bend Road, Cincinnati, OH 45247. If you have any specific questions about the wording of the release, please contact Patty Thomas at pthomas@saintschool.org.

Responsible Use of Technology, Grades K-8

All schools must have on file a signed Responsible Use of Technology Policy – User Agreement Form for any student* and/or adult (administrators, faculty and staff members, parents, volunteers, and other school-affiliated adults) using a school's technology resources, school's Internet account, school-sponsored account, or personal account to access the Internet. All Internet access and use of other electronic communication technology is strictly limited to educational purposes. Students (including those 18 and over) are not allowed to access personal accounts from school. School personnel (administrators, faculty and staff members) are allowed to access personal accounts at school but are subject to responsible use provisions herein. Catholic Schools of the Archdiocese of Cincinnati adhere to the Children's Internet Protection Act. Individual schools may be further governed by the policies of the Instructional Technology Centers or other Internet Service Providers. The school has the right of access to any electronic devices on school property and school equipment at any location including remote access.

All information received or sent from school property remains the property of the school and is not considered confidential. The school reserves the right to investigate the download history of all school computers. There shall be no reasonable expectation of privacy.

*The term student applies to any individual enrolled in the school regardless of age.

School Responsibility

The school shall provide access to technological resources, including Internet, for educational purposes only. The school shall also provide training for students and teachers in the appropriate use of online behavior, interaction online on social networking sites, cyber bullying awareness, and reporting of misuse of technology. The school shall take measures to provide for the safety and security of minors, supervise and monitor student access to all technological resources provided by the school, and guard against the access of objectionable material, in compliance with the Children's Internet Protection Act and the Archdiocesan Decree on Child Protection. Unauthorized disclosure, use, and dissemination of personal information regarding minors are forbidden.

User Responsibility

The user shall access the school's technological resources for educational purposes only. Each user is responsible for information that is sent and received under his/her personal and/or school Internet account.

Passwords are to be guarded and not displayed nor shared with others. The user must strictly adhere to copyright laws. In addition, unethical and/or illegal uses of electronic devices will not be allowed. Unauthorized access, including hacking or use of another person's account, is strictly forbidden. The user agrees not to bypass the school firewall, nor to harm or alter school property. The user agrees not to pirate, nor to submit, publish, and/or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, harassing, racially offensive or otherwise illegal material, on or off school property, using school or personal electronic devices; nor shall the user encourage the use, sale, or distribution of controlled

substances. Any use in violation of any local, state, or federal law is prohibited and is a breach of the terms and conditions of responsible use. Also, any commercial use is strictly forbidden.

Inappropriate Sites

Although we do our best to keep filters up to date, we cannot guarantee to protect students from all inappropriate material. If a student discovers inappropriate material at any time on any device, the following action should take place: 1) STOP! Do not try to leave the page and DO NOT press any keys! 2) Depending on the device, cover / turn over / manually close laptop lid. 3) Immediately bring the matter to the attention of the adult supervisor (not other students). The adult will take care of the matter at that point, including notifying the parent as well as technology and school administrators. By following these procedures, we are more able to prevent future exposure.

Disciplinary Action

The school may take disciplinary action against school personnel, including students, who violate the Responsible Use of Technology Policy or other school or archdiocesan policies by means of inappropriate use of technology. Disciplinary action may also be taken against those who use telecommunication devices to cause mental or physical distress to other members of the school community, whether these incidents take place on or off the school property. Disciplinary action taken by school authorities may include revocation of access to technological resources, suspension, expulsion from school, and/or possible legal action. (Archdiocese of Cincinnati)

TUITION

Admission Priorities:

Enrollment is pending the school's ability to meet the needs of the student and verification of priority status. (see Enrollment) Parents are responsible to complete two steps:

1. Submit the completed current enrollment application.
2. Pay the nonrefundable registration fee of \$150.00 per family which is not counted toward tuition.

Students shall be admitted in the following order of priority within the registration period for each category. Priority within a category will be determined by the length of documented history of continuous participation in the liturgical life of the parish. Although enrollment forms can be turned in anytime, students will be enrolled in the following order of priority within the registration period for each category. Children not registered during their appropriate registration period will lose their respective priority. The pastor and principal may make exceptions to this policy.

- Category 1:** All children currently enrolled at St. Ignatius School (and their siblings) who are current on tuition and whose participation in the liturgical life of the parish can be documented.
- Category 2:** All children of St. Ignatius Parishioners NOT currently enrolled at St. Ignatius School whose participation in the liturgical life of the parish can be documented.
- Category 3:** Children of St. Ignatius Parishioners who do not participate in the liturgical life of the parish Children in these families will be admitted if class size is under 22 in grades K-3 and under 28 in grades 4-8. Non-Subsidized (Full Cost) tuition will be charged.
- Category 4:** Non-parishioners. Children in these families will be admitted if class size is under 22 in grades K-3 and under 28 in grades 4-8. Non-Subsidized (Full Cost) tuition will be charged

Within a category, if there is more demand than available seats (120 per grade), we will award the seats based on length of time the parent's participation in the liturgical life of the parish can be documented.

A "Parishioner", for school enrollment purposes, is defined as meeting all the following criteria. Any questions concerning your status should be directed to the Parish Office (661-6565):

- a. Is baptized Roman Catholic or was received into the Catholic Church.
- b. Lives within the traditional boundaries of the parish or has been accepted as a parishioner by the pastor.

Participating in the liturgical life of the parish means attending Sunday Liturgy and Holy Days of Obligation on a regular basis as documented through the use of church envelopes. No specific dollar amount is required in the church envelopes.

Tuition Assistance

St. Ignatius School strives to provide the best Catholic education possible while nurturing the spiritual, academic, physical, artistic, and social emotional growth of each and every child. Accomplishing this for all students requires an on-going and timely flow of tuition payments to pay teachers and staff and fulfill the school's financial commitments to its suppliers. If difficulties arise in a student family's personal finances, the school will make every effort to accommodate late tuition payments in an effort to avoid unnecessary upset to a child's educational progress. As a first step, families will be encouraged to apply for tuition assistance through the Catholic Education Foundation or through the parish fund. Completion of the FACTS Application is required.

Cafeteria Fee

With the exception of half-day kindergarten, each family (All Day K-Gr 8) is required to pay a \$35.00 fee to the cafeteria. The cafeteria fee is due with the August tuition payment.

Multiple Child Discount

Families with a second child enrolled in grades 1-8 will receive a \$100 discount. Families with three or more children in 1-8 will receive a \$300 discount. Payment may be made in full, quarterly, or in ten monthly payments starting in July. Questions regarding tuition and fees should be directed to Mrs. Barb Campbell, Director of Parish Development at 661-6565.

Other Details

An additional packet will be sent to students enrolling for the first time. Please advise us of any special needs or requests on the enrollment form.

Transportation to and from school is the parent's responsibility. Please contact your local public school to determine eligibility and schedule details: Northwest (825-4600), Oak Hills (574-2161), Cincinnati Public School (363-0330), and Three Rivers (467-3215). If it is not practical for them to do so, they will work with you to initiate a process to establish payment-in-lieu of transportation. Parents are not afforded the option of being paid for transporting their own child in case where the service is provided by the district but is not the service parents prefer. This contact is the parent's responsibility.

By enrolling in school, you are agreeing to abide by the policies and decisions of the school. We truly look forward to partnering you to educate your child. Working together, we will continue our tradition of making this the best place to be a student, a parent, and a teacher! If you have questions, please call the school office during 8:00 A.M. - 4:15 P.M. on weekdays.

FAMILY HANDBOOK ADDENDUM
2020-2021
COVID-19 INFORMATION

COVID-19 Symptoms: Taken directly from the CDC:

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

*This list does not include all possible symptoms, per the CDC.

Transmission: COVID-19 is believed to spread mainly from person-to-person between people who are in close contact (within about 6 feet) with one another and through respiratory droplets produced when an infected person coughs or sneezes. It also may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or eyes, but this is not thought to be the main way the virus spreads.

Wellness Checks BEFORE coming to school must include these 6 things:

1. Temperature check-Stay home if oral temperature is above 100.0 F) **DO NOT give your child fever reducing medications for a fever, even if in the 99.0F range, before school. It is imperative that we know if a child has a fever.**
2. Symptom check: **Symptoms of COVID-19 are similar to symptoms of many common illnesses. Please use your best discretion when sending your child to school with mild illness symptoms. Do not send your child to school with the following:**
 - Fever or chills
 - New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
 - Diarrhea, vomiting, or abdominal pain
 - New onset severe headache, especially with fever
 - Redness with discharge of the eyes
 - Sore throat with difficulty swallowing or sore, tender glands in neck
 - Your child does not look well
 - Symptoms and or complaints that are unusual for your child.

3. Close contact/potential exposure check-Stay home, inform school nurse and consult your doctor before coming to school if:
 - Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person confirmed COVID-19, even if masks were worn.
 - Traveled to or lived in an area where the local or state health department is reporting large numbers of COVID-19:
<https://coronavirus.ohio.gov/wps/portal/gov/covid-19/families-and-individuals/covid-19-travel-advisory/covid-19-travel-advisory>
4. Children should wash their hands before leaving for school.
5. Children should be wearing a clean mask and have an extra mask(s) in their backpack inside a small bag. They will use this to take dirty masks home in if they need to change their mask while at school.
6. Children should eat breakfast before coming to school to avoid headaches and stomachaches that prompt unnecessary visits to the school nurse.

Communication regarding COVID-19 illness:

- Parents will inform the school nurse when:
 - Their student has been exposed to, diagnosed with, or is exhibiting symptoms of COVID 19.
 - Someone in their household or recent contact has been diagnosed with COVID-19 or has symptoms suspicious of COVID-19.
- Parents will work with the school nurse and state health department authorities regarding when the child can return to school.

RETURNING TO SCHOOL AFTER COVID-19 ILLNESS: Will be determined via collaboration with current local health department guidelines. Current guidelines below are directly from the CDC: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/end-home-isolation.html>

I think or I know I had COVID-19 and I had symptoms: You can be around others:

- After 24 hours with no fever without fever reducing medications AND
- Symptoms have improved AND
- 10 days since symptoms first appeared (20 days for immunocompromised individuals)

I tested positive for COVID-19 but had no symptoms: You can be with others:

- If you continue to have no symptoms AND
- 10 days have passed since test

For anyone who has been around a person with COVID-19: You can be with others:

- After staying home for 14 days after last exposure to that person.

I had symptoms of COVID-19 but was given an alternate diagnosis by my doctor: Return to school when appropriate per written recommendation by your doctor.

Illness Prevention: Please model these hygiene practices with your children at home so they are prepared to practice them at school. Praise them for good habits!

- Handwashing
 - Sing “Twinkle Twinkle Little Star” or “Happy Birthday” twice which is approximately 20 seconds
 - Rub vigorously with soap and water to form suds getting all surfaces of the hands and fingers
 - Dry hands with paper towel and turn faucet off with towel, place towel in garbage can.
- Don’t touch your face (The T Zone-eyes/nose/mouth). If you must, use a tissue to wipe eyes or nose and then wash your hands or use hand sanitizer.
- Respiratory etiquette
 - Cover coughs and sneezes with tissue or elbow. If you cough or sneeze into your mask, put a new mask on and wash your hands. Put soiled mask in a bag in your backpack.

Masks:

- Please make sure your child’s masks are comfortable on them.
- Students should have at least one(or more) clean, extra masks in their backpack in a zip lock bag. Students WILL be wearing masks to recess.
- Masks should be washed before re-used.
- Masks should be handled by the ear loops or straps, not the face covering.
- Students will be given opportunities to remove their mask for short periods of time during the day while maintaining social distancing.
- Students may still bring water bottles to school but will need to practice handling their masks by the ear loops or straps when removing and replacing their masks.

Hand sanitizer:

- Hand sanitizer will be in every classroom.
- Students may bring their own but it must be basic fragrance, not extra fragranced like Bath and Body Works or other highly scented products as these can trigger symptoms in highly allergic or asthmatic people. These will be confiscated if found.

Staying healthy with a strong immune system: These tips will help strengthen immune systems and help your body fight off germs.

- A healthy diet with plenty fruits and vegetables
- Eating breakfast each day that includes a protein and carbohydrate source
- Adequate water intake
- Adequate sleep
- Physical exercise with a goal of 60 minutes per day.
- Stress relieving activities

The School Nurse Office: The school nurse office will have a separate room for students with fever and/or possible COVID symptoms and or other contagious illness to wait until sent home.

PRAYERS

SIGN OF THE CROSS

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

HAIL MARY

Hail Mary, full of grace, the Lord is with you. Blessed are you among women, and blessed is the fruit of your womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now, and at the hour of our death. Amen.

GLORY BE TO THE FATHER

Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen.

#1 ACT OF CONTRITION

Grades 2,3,4,5, and others as needed

Dear God, I am sorry for all my sins. I am sorry for the wrong things I have done. I am sorry for the good things I have failed to do. I will do better with your help. Amen.

#2 ACT OF CONTRITION

Grades 4,5,6,7, and 8

O my God, I am heartily sorry for having offended You and I detest all my sins because of Your just punishments but most of all, because they offend You, my God, Who, are all good and deserving of all my love. I firmly resolve, with the help of Your grace, to sin no more and to avoid the near occasions of sin. Amen

THE APOSTLES' CREED

I believe in God, the Father almighty, Creator of heaven and earth, and in Jesus Christ, his only Son, our Lord, who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried; he descended into hell; on the third day he rose again from the dead; he ascended into heaven, and is seated at the right hand of God the Father almighty; from there he will come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

PRAYER FOR GENEROSITY

Dear God,

Teach me to be generous, Teach me to serve You as You deserve,

To give and not to count the cost, To fight and not to heed the wounds,

To toil and not to seek for rest. To labor and not to ask for any reward

save knowing that I am doing your will. Amen

St. Ignatius Loyola

ACT OF FAITH

O, my God, I firmly believe that You are one God in three divine persons, Father, Son, and Holy Spirit. I believe that your divine Son became man and died for our sins, and that He will come to judge the living and the dead. I believe these and all the truths, which the Holy Catholic Church teaches, because You have revealed them, who cannot deceive nor be deceived.

ACT OF HOPE

O my God, relying on Your almighty power and infinite mercy and promises, I hope to obtain the pardon of my sins, the help of your grace, and life everlasting, through the merits of Jesus Christ, my Lord and my Redeemer.

ACT OF LOVE

O my God, I love You above all things with my whole heart and soul because You are all good and worthy of all my love. I love my neighbor as myself for the love of You. I forgive all who have injured me, and ask pardon of all whom I have injured

SUSCIPE

Take, Lord, and receive all my liberty,
my memory, my understanding,
and my entire will,
All I have and call my own. You have given all to me.
To you, Lord, I return it. Everything is yours; do with it what you will.
Give me only your love and your grace,
that is enough for me. Amen

St. Ignatius of Loyola

TRUST IN JESUS

O Christ Jesus,
when all is darkness
and we feel our weakness and helplessness,
give us the sense of Your presence,
Your love, and Your strength.
Help us to have perfect trust
in Your protecting love
and strengthening power,
so that nothing may frighten or worry us,
for, living close to You,
we shall see Your hand,
