

Be a part of Jubilee history: Purchase a 75th Anniversary Brick

St. Ignatius of Loyola
 • GO AND SET THE WORLD ON FIRE •

The 75th Anniversary Brick Campaign will allow friends of Catholic education and St. Ignatius School to become a part of Jubilee history, one brick at a time. Supporters can purchase personalized pavers that will be incorporated into

the hardscape in front of the flagpole near the main entrance of the school. Once installation of the bricks is complete, a locator map will be provided to assist brick owners in finding their personally engraved brick when they visit the campus!

Engraved 4x8 paver bricks are available for \$100; orders begin now through **March 11, 2022**. Engraving includes up to 13 characters and spaces per line, three lines maximum. Order online at <https://bit.ly/sainti75brick> or by mail with the attached order form. Anniversary bricks make a great gift! Brick gift certificates are available to give as a gift to those loyal alumni you know and love.

The proceeds from the Brick Campaign will be used

to support the continuing improvement of the school, including projects directly benefiting students and staff of the school. This unique opportunity will help celebrate the 75th anniversary of St. Ignatius School, and participants are able to leave a permanent tribute that will not only help honor the history of the school, but also help ensure the school's future.

The 75th Anniversary Brick Campaign is a joint effort between St. Ignatius of Loyola School and the St. Ignatius Alumni Association, an organization committed to celebrating the legacy of St. Ignatius School and ensuring its viability for years to come. Please contact Melanie Crowe with any questions: mcrowe@saintschool.org or 513-389-3242, x2007.
