St. Ignatius of Loyola Preschool Handbook

Introduction

Welcome to **St. Ignatius Preschool**. Saint Ignatius of Loyola School has long been recognized for excellence in the Greater Cincinnati Area. Our success is rooted in our commitment to educate the whole person. The spiritual, moral, physical, emotional and intellectual development of each student is promoted in a value-centered environment.

These same values and commitment to excellence will continue with our preschool program. We recognize the unique and God-given potential of each child, leading them in their discovery of faith and fostering the love of learning. Our Preschool offers a Catholic-based, kindergarten readiness program which will enable children to grow academically, spiritually, physically, emotionally and artistically by:

- Teaching children through a Catholic foundation of bible stories and prayer that God loves them and listens to them.
- Instilling in children that we are called to serve one another through service to others.
- Providing an atmosphere where hands on learning and experiential learning are foundations.
- Introducing children to a variety of literature, science, technology, and academic activities.
- Providing children opportunities to further develop fine and gross motor skills through play and planned activities.
- Teaching appropriate peer interactions and self-control through sharing, good manners and cooperation.
- Instilling in children a sense of self-worth, self-confidence, and the joy of childhood.
- Preparing children for a successful transition to Kindergarten.

Our program includes:

- Phonetic based reading
- Exposure to a variety of literature
- Experiences in science, math and technology
- Sensory and dramatic play
- Prayer times – **Catechesis of the Good Shepherd**
- Play time and peer interaction
- Christian service opportunities

St. Ignatius Preschool Philosophy and Goals

Research shows how critical the early years are for later success in school and life. The brain develops faster during early childhood than at any other time, especially when a child is engaged in enriching relationships and activities, like reading, singing, building, and pretend play. Knowledgeable teachers providing those kinds of experiences along with a Catholic education will give children a solid start in school. Children who attend St. Ignatius Preschool will gain competencies in language and literacy, math, problem solving, and self-control skills such as paying attention and getting along with others. We want children and families to see our school as a fun, exciting, and caring place which will lay the foundation for lifelong curiosity, learning and Catholic identity.

Our preschool philosophy is based on current research and theory of best practices in meeting the needs of young children. We believe that children learn best through direct interactions with materials and people and we draw on the research of Erikson, Montessori, Piaget and Vygotski. These are developmentally appropriate, hands-on experiences which encourage children to play, explore, experiment, problem solve and critically think. Our program is aligned with the Ohio Early Learning and Development Standards and the Archdiocese of Cincinnati Early Education Standards and St. Ignatius School's Core Values.

CORE VALUES

Since 1946, Saint Ignatius Loyola School has embraced a proud tradition of excellence in Catholic education. The school's success is driven by six core values:

- 1.) **The Centrality of God and the Catholic Faith:** We celebrate a strong Catholic tradition while maintaining Christ-centered academics and activities on a day-to-day basis. The presence of God is a constant at Saint I's. Together, with their parents, Saint I's introduces their students to the long-standing legacy of the Catholic faith. This provides a strong foundation, instilling ethics, morals, and the love for Jesus Christ.
- 2.) **Focusing on the Whole Child:** Saint I's excellent test scores, consistently in the top 10% of the country, are only one aspect of its quality education. The staff and faculty focus on the whole child, realizing the importance of spiritual, academic, physical, emotional, moral, intellectual, and social development. This comprehensive, whole child approach provides an environment where each student's unique abilities are both embraced and challenged, building the foundation for greater self-worth and life-long happiness.
- 3.) **Celebrating Diversity:** Embracing all God's Children: Utilizing Christian law as our cornerstone and the Commandment "Love your neighbor as yourself", Saint I's embraces diverse talents, abilities, and backgrounds. Our commitment to this Commandment begins with the inclusion of all students.
- 4.) **Modeling Stewardship:** Saint I's faculty, staff, and families provide examples of stewardship as they care for their community, their school, and their students. Their benevolence for the students and the respect that the students learn by their example creates a cycle of stewardship. Our children learn to be stewards of the Catholic Church, the earth, the

community, and their individual gifts. Saint I's school is a training ground, teaching students to become good stewards both today and in the future.

5.) **Continuous Improvement:** Saint Ignatius school deliberately and intentionally works to continuously improve. We aim to be the best at getting better. Already a National Blue Ribbon School of Excellence and a recognized leader in academics and inclusion, the faculty is constantly planning for the future and building on its current success. Embracing the saying "You only coast when going downhill," both the school and the students are constantly reaching toward their personal best.

6.) **Cultivating Community:** Ignatius begins with I and ends with Us. Saint Ignatius is a dynamic experience for their students and their families. The students enter the school as an individual, but will soon become an integral part of the school, the Catholic Church, and the larger community. Becoming part of the Us comes with the responsibility to strengthen these communities, and our students achieve this through volunteerism, good citizenship, and the outward love for Jesus Christ

Licensing and Inspection

The St. Ignatius Preschool is licensed by The Department of Education, Early Childhood Division. Our State License and most current compliance report is posted on the bulletin board outside the Director's office and is available for review at any time. Our licensing record is available from the Ohio Department of Education upon request from the director. A copy of rules for the preschool program can be found in the office or online at the ODE website. Should any person suspect a violation of the Administrative Code by the school, please phone the Ohio Department of Education at 877-644-6338.

General Safety

- All children will remain under constant supervision while at St. Ignatius Preschool. State ratios will be maintained at all times.
- There is a telephone located in the office and each classroom for use in case of an emergency.
- Our school nurse and/or staff members are trained in first aid, CPR, recognition of communicable diseases, and medication administration are available on the premises at all times. A first aid kit is always available in the Director's office.
- The Preschool Director shall immediately notify the local public children services agency when they suspect that a child has been abused or neglected.
- When an accident or injury occurs, the school shall complete a report in accordance with Rules 5101:2-12-49 of the Administrative Code.

Curriculum and Assessment

St. Ignatius Preschool provides a curriculum that is aligned with Ohio's Early Learning and Developmental Standards. The curriculum focuses on the following learning domains: Social-Emotional Development, Approaches to Learning, Cognitive Development and General Knowledge (including Mathematics, Science, Social Studies), Language and Literacy Development Physical, Well Being and Motor Development. Additionally, through weekly participation in the **Catechesis of the Good Shepherd** children will learn that God loves them and listens to them. Our program will adhere to the Standards of the Archdiocese of Cincinnati for Religious Education.

Our program is continually evolving and allows us to meet each child's learning style and potential. Student development will be assessed formally and informally throughout the school year. With a natural and ongoing assessment process that occurs through observation and interaction, our teachers use their expert knowledge of early childhood developmental milestones to help guide and encourage each student.

Parent teacher conferences will be held in the fall for both the full day Pre-K children and the 4 year old half day children. Spring conferences will be held for the 3 year old half day children. Parents are welcome to request a conference anytime during the school year.

Full day Pre-K children will receive formal Progress Reports at the end of each semester.

Teacher Qualifications

Lead Teachers have college degrees or masters in Early Childhood Education and are certified in CPR, First Aid, Recognition of Communicable Diseases and Recognition of Child Abuse. Additionally, they are certified through SafeParish participation through the Archdiocese of Cincinnati, and have completed the FBI and BCI background checks. The staff regularly attends seminars and workshops for early childhood educators.

Guidance and Behavior Management Policy

Our teachers are committed to using constructive, developmentally appropriate child guidance and management techniques in the area of discipline. Our goal is for children to have fun, feel good about themselves, and learn to regulate their own behavior by practicing social skills in a group setting.

Our teachers will use the following techniques to help guide children's behavior:

- Setting clear limits
- Redirecting the child to an appropriate activity
- Showing children positive alternatives
- Modeling respectful interactions with others, using their own words and actions to develop an understanding of how to deal with conflict
- Intervening when needed as quickly as possible to ensure the safety of all the Children
- Encouraging children to control their own behavior, cooperating with others and solving problems by talking things out.

If there are any problems with a child's behavior in the program, the teacher will speak directly with the parent. Keeping open lines of communication, the teacher will work with the parent to prevent future problems.

- There will be no cruel, harsh, corporal punishment or any unusual punishments, such as, but not limited to punching, pinching, shaking, spanking, or Biting.
- No discipline shall be delegated to any other child.
- No physical restraint shall be used to confine a child by any means other than holding a child for a short period of time, such as a protective hug so the child may regain control.
- No child shall be placed in a locked room or confined in an enclosed area such as a closet.
- No child shall be subjected to profane language, threats, and derogatory remarks about the child or the child's family or other verbal abuse.
- Discipline shall not be imposed on a child for failure to eat, failure to sleep, or for toileting Accidents.
- Techniques of discipline shall not humiliate, shame or frighten a child.
- Discipline shall not include withholding food, rest or toilet use.
- Separation, when used as discipline shall be brief in duration and appropriate to the child's age and developmental ability, and the child shall be within sight and hearing of a preschool staff member in a safe, lighted, well-ventilated space.
- The preschool shall not abuse or neglect children and shall protect children from abuse and neglect while in attendance in the preschool program.

Emergency, Safety, and Security Procedures

Crisis Plan – St. Ignatius has a crisis plan in place that ensures the safety of all students. The plan is reviewed yearly, with faculty and emergency personnel. All staff and faculty are appropriately trained to carry out the plan in the case of an emergency.

Fire and Tornado Drills – Monthly fire drills are conducted throughout the school year. Tornado drills will be held in the spring of each year. Directions are posted in each classroom to instruct occupants where to go in case of an emergency. Teachers will escort the students to their specified safe zone. We ask that all adults who are in the building at the time of a drill follow the safety rules.

Lockdown Drill – A lockdown will occur if there is immediate danger outside the school/church building or if an intruder has entered the building. During this time, all efforts are made to keep all students safe either by being secured in their classrooms or evacuating the building to a safe location. These drills are conducted several times during a school year.

Shelter in Place – Shelter in Place is a safety procedure designed to help protect the staff and students at our school during a serious airborne hazardous material emergency. It means taking shelter inside the school until the danger has passed. The goal of the Shelter in Place is to prevent contaminated outside air from entering the school for the duration of the incident. It is important to keep students in school during a hazardous material emergency. During this time no student will be allowed to leave the building nor will anyone be allowed to enter. If this situation should arise, you will be notified through our automated call system.

Emergency Closing Plan

For Inclement weather conditions, in most cases we follow the Northwest School District postings. Should school be closed or delayed, parents and students should wait to be notified through our automated call system, school website, and/or radio and television announcements. Should Northwest call for a two-hour delay, morning ½ day classes will not be held. Remember children will still need to be picked up at their regular dismissal time.

Medical and Dental Emergency Plan

- The First Aid Kit is located in the Director's office
- Current emergency telephone numbers for the emergency squad, fire department, the hospital and poison control center, children's protective agency and the police department are posted in each classroom and the Director's office.
- A staff member trained in first aid, recognition of child abuse, recognition of communicable diseases, and CPR is always on-site.
- Children's medical and admission records are located in the file cabinet in the Director's office.
- All staff will participate in first aid training to keep it updated. All staff are aware of the correct supervision of children during an emergency.
- Staff will observe a child upon entering school for signs of communicable diseases. Children who become ill during school hours will be isolated and the parent/guardian will be contacted at once.
- The Ohio Department of Health dental first-aid chart is posted in the nurse's office. All staff have been trained to act in accordance with it.
- In the case of a minor incident/accident staff will administer basic first aid and the family will be contacted. If an incident/accident is life threatening, EMS will be contacted and the family will be notified. The child's records will be transported with the child when seeking emergency treatment. Emergency transportation will be provided by Ambulance only.
- An incident/accident form will be provided to the parent/guardian any time an incident/accident occurs within 24 hours of the day of the incident/accident.

Health Procedures and Policies

Childhood Sickness/Illness. For the health and safety of all children, sick children will not be admitted into school. We ask that you keep any child that exhibits any of the following at home:

- Fever of greater than 100 degrees Fahrenheit within the past 24 hours.
- Diarrhea (more than one abnormally loose stool within a 24 hour period.)
- Severe coughing, causing the child to become red or blue in the face or to make a whooping sound
- Difficulty or rapid breathing
- Yellowish skin or eyes

- Redness of eye or eyelid, thick and purulent pus discharge, matted eyelashes, burning, itching or eye pain
- Untreated infected skin patches, unusual spots or rashes
- Unusually dark urine and/or gray or white stool
- Stiff neck with an elevated temperature
- Evidence of lice, scabies, or other parasitic infestation
- Sore throat or difficulty in swallowing
- Vomiting more than one time or when accompanied by any other sign or symptom of illness.

If a child develops any of these symptoms while at school, the child will be isolated on a cot in the Nurse's office or Director's office. The child's parents will be notified to pick up their child. Your child may return to school when they have been free of all symptoms for 24 hours, without a fever-reducing medication such as Tylenol (Acetaminophen) or Ibuprofen (Motrin, Advil). If a child is found to have a temperature greater than 100.0F while at school, he/she may not remain at school.

[Administering Medication Policy](#)

The administration of medication requires the written consent of the parent/legal guardian and a doctor's order before any medication can be given at school. This includes both prescription and over-the-counter medication such as (Tylenol, Motrin, skin creams, ointments, eye drops, etc.

A copy of the "Administration of Medication" form is available from your child's teacher or the preschool Director. If your child needs medication, take this form to their physician and have it filled out and brought to the preschool Director. Please make sure that the form is filled out completely and both the physician and parent/legal guardian signs the form before it is sent to school with the medication.

The physician's order and parent written request is valid for 1 school year. A new order and request must be obtained at the beginning of each school year.

For any change in dosage or time a medication needs to be given, etc., a new physician's order needs to be provided.

All medication will be stored in a classroom cabinet or Director's office out of reach of the children.

All medication MUST be in its original container.

Please refer to Saint Ignatius Loyola School Student Handbook for complete medication policy.

[Physicals and Immunizations](#)

Each student must have a medical record on file by the first day of school. Every student needs to provide an immunization record completed by a physician along with a current physical. This physical is good for one year and must be updated annually.

Students not immunized in accordance with state requirements must be excluded from school until their immunizations are in compliance with Ohio state law.

What to bring to School

Each child should have a complete change of clothes to stay in their backpack. Check periodically to make sure they fit your child. Please make sure all items are in a ziplock bag marked with your child's name (even if your child no longer has accidents). A change of clothes may be needed due to water play or messy art activities.

Keep children's personal toys at home. Teachers will let you know if there is a sharing day when children can bring personal toys from home.

For Pre-K students - A beach towel or blanket for rest time.

Each child should bring a backpack or tote bag daily. Please check your child's backpack/tote bag daily for any paper or notes that have been sent home.

Parent & Volunteer Involvement

The Archdiocesan Decree on Child Protection requires all school volunteers and employees to be certified and participate in the **Archdiocesan SafeParish Training and register on Selection.com. To ensure a consistent learning atmosphere we cannot allow non-school age children to accompany parents when they volunteer (lunch room, classroom, and field trips).**

These two items are required in order to be considered to volunteer at any time during the school year. Please check with the school office or WildCat Wire for directions on how to enroll in SafeParish..

Parents are welcome at any time in our classroom. Other visitors need to schedule a time with administration/ office staff and the teacher. Our goal is to form a strong, loving partnership between the teacher, families, and community.

Transportation

Transportation may be available for 5 year old Kindergarten eligible children according to their specific Public School District. Please contact your Public School District for more information. Currently we do not have any Field Trip scheduled where we would need public/private transportation.

Withdrawal Information

If for any reason a child needs to withdraw from the preschool program, please let the preschool Director and Main School Office know of your intention in writing 30 days prior to departure.

For Tuition Information and additional School Policies please refer to the St. Ignatius Family Handbook.
