

Faculty & Staff Christmas Fund

Each year, the PTO collects donations from families towards the gifts for ALL of the St. Ignatius staff, which includes teachers, specialists, music, physical education, art, nurse, cafeteria staff, aides, office and administrative staff.

All contributions are pooled together and staff are able to select gift cards from the Raise Right program with the money collected, which is greatly appreciated!!! This is an easy and great way to give a gift to ALL involved in your child's education. These gift cards will be presented to the faculty and staff with a box of candy on the last day of school before Christmas break.
