

Welcome to your St. Ignatius of Loyola Performance Ensemble Program!

Our goal is to create a uniquely positive ensemble experience for all of our special instrumentalists and musicians. Simply, we are devoted to providing our musicians with a happy, positive, and lasting relationship with their beloved instruments and delightful music making.

Our Five Beloved Ensembles include the: Golden Band, Royal Blue Band, Percussion Ensemble, Jazz Ensemble, and Choir.

We are genuinely humbled to serve each and every one of our musician students as we watch them grow through these new and exciting opportunities.

Please consider this as an invitation and opportunity to participate in our most beloved music making together. It is our happy and genuine honor to serve you, your families, and your unique talents in this special way.

St. Ignatius of Loyola Performance Ensemble Program is Devoted to Creating A Community of Excellence in Music through these Three Fundamental Ways.

- 1. Experience the Flow of Musical Intention as We Practice Together.***
- 2. Learn Awareness through Musical Performance.***
- 3. Share and Create a Communal Repertoire.***

Four Considerations we wish for all of our Musician Students...

1. Practice because you are talented.
2. Reflect on how the notes bring you to life.
3. Be diligent and patient.
4. Respond to your own playing through smiling, and say to yourself, "Well, that was interesting..."

A Final Word to our Student Musician Artists!

1. You are talented musicians. Enjoy recognizing and learning about your unique talent. Experience the happiness that fulfills us by creating beautiful art together.
2. Be Patient with yourself. We will work together and support one another. Growth takes time and perseverance.
3. Practice 5 minutes every day because you are talented. Make it a happy time in your day.

4. Please remember, we are very proud of you and your commitment to your talent in making special music together. Your music makes us happy and we always look forward to hearing you play!
