Dear Parents and Guardians,

We would like to invite you to the St. Ignatius Prospective Student Tours (adults only) from 4:00-4:30pm on the following dates: December 3rd & 10th; January 7th, 21st; and February 4th. Please contact Joyce Cross at jcross@saintschool.org to schedule your tour for K-8. Please contact Sarah Holscher at sholscher@saintschool.org for Preschool. One of the school administrators will meet with you, give you a tour of the building, and answer any questions you have about our remarkable school. The staff works every day to make this the best place to be a student, parent, and teacher. We are confident that after your tour, you will understand the enthusiasm that surrounds our nationally recognized school programs. Come and find out how we can enrich your child's education and faith life!

You are receiving this information because you have either called to request registration information for the 2027-2028 school year or our parish records indicate that you have a preschool/kindergarten-aged student for next year. The admission application will be online in December and can be found on the school website at www.sainti.org/school, under the Admissions tab. Families will be notified of admission acceptance in February. At that time, a \$100 New Family Registration Fee will hold your child's place for the 2027-2028 school year.

If interested in attending school at St. Ignatius for the 2027-2028 school year, please complete the online application. We will process your application based on the category your family falls into, as outlined in our admissions criteria. Please contact us for further information and we will be happy to provide you with answers. The main school office can be reached at 513-389-3242.

On behalf of the entire faculty and staff, we thank you for considering St. Ignatius School. We look forward to meeting you during the Prospective Tours and having the opportunity to nurture your child's God-given gifts and deepen their relationship with Christ.

In Christ's Peace,

Angie Heisel
